

## HENLEY YOUTH CHOIR BURSARY SCHEME

### Funded by The Worshipful Company of Cutlers

At Henley Youth Choir we know that singing can have a positive and sometimes life changing impact on children and therefore believe that there should be no barrier to a child being able to join us to sing as part of the group.

We aspire to sing to a professional standard under the guidance of professional musicians and to have fun along the way!

We are delighted to offer a Bursary scheme to help anyone who wants to join us but needs financial support to do so. Our Bursary scheme is generously funded by The Worshipful Company of Cutlers.

Our Bursary scheme pays 90% of the termly subscription and you only need to pay the remaining 10%.

A Bursary is awarded at the discretion of the Henley Youth Choir Committee and will be reviewed each term. All Bursary scheme requests will be treated in the strictest confidence and will only be viewed by the Henley Youth Choir Committee.

To receive a Bursary please complete the information below and then either e mail, post or hand the form to Fi Harding whose contact details are below.
