Hello and welcome to Henley Youth Choir! I look forward to meeting you at your first rehearsal with us. Whether you've sung before or not, this will be a great place to learn wonderful music, improve your technique and spend time with other people who love singing as much as you do. If you haven't decided whether to join us or not, just try us out for a session. You don't need to be able to read music and, if you haven't been in a choir before, you won't be the only one! Whatever your experience, we aim to have a great time as well as singing to a high standard and learning along the way. See you soon!
